

Day Nursery & Pre-School Questionnaire

- How many years of experience do you have in this business?
- Are you licensed by the State?
- How many children are on the premises at any one time?
- How many are your own children? What age(s)?
- Have you had any claims made against you relating to this business?
If yes, please explain.
- Are the children confined to one area of the house?
- What is the square footage of the area they can use?
- Are they taken off the insured premises? If yes, where and how often?
- Do you have help in supervising the children? If yes, is it paid or volunteer?
- Are any meals provided? If yes, which one(s)?
- Are any medications dispensed, provided, or available?
If yes, please explain.
- Are all family medications inaccessible to the children?
If not, please explain.
- What guidelines have been established for the pick up of the children if the parent doesn't personally pick them up?
- Is the backyard fenced?
- What type of playground equipment do you have?
- Is it in good repair? How often is it inspected?
- Are there any dogs on the insured premises? If yes, how many?
What age(s)? What breed(s)?
- Are dogs allowed around the children?
- Have the dogs had their rabies shots? Are the shots current?
- Have any of these dogs, or any dogs you owned, been the subject of a liability claim?
If yes, please explain.
- Other comments.
